From the Governor

OI president to be at meeting

I can't believe that the Kentucky-West Virginia District is already in our third quarter.

I have enjoyed making several club visits lately.

Check out the information on the next District meeting. Optimist International President Rebecca Butler Mona will be coming to visit us. I don't know who is more excited her or me. Please try to come by the District meeting to meet President Rebecca.

Also, if you have not registered for the Optimist International Convention in Louisville, do it soon. Thanks to all the committee chairs and volunteers that have been working on making this convention the best of the best.

The District is still up in members but have lost several members. Special thanks to all that have sponsors new members and for all the work your club

Governor
Jean Smith

is doing to serve KIDS.

Thanks to Essay Chair Bill Rybak for the great job he has done. The Essay winner will read his Essay at the District luncheon.

The District Tri-Star Basketball Contest was great. Thanks to Chair Stuart Maiden and Laurel-London Optimist Club for hosting the event. Every child went away with a trophy. There was smiles all over the place. It was sonderful seeing such happiness.

Thanks to Oratorical Chair Sandy Goodlett for all the work she has done to make our contest a success in serving KIDS. You don't want to miss the Oratorical contest at 2:00pm at the District meeting on Saturday May 11.

I will be paying the \$15 fee for any member your club gets. Your clubs pays it then I will send you a check for each new member. Don't forget that a past member can be added for \$30 for first year dues. So, let's get started on new members and new clubs.

Promise Yourself
Governor Jean

Let's build a club together

If you are reading this, you're on a list of Optimists that know what a New Optimist Club means to Optimist International, our District, your club, and the youth and community that will be served.

You also know the satisfaction you receive yourself as result of your efforts to spread Optimism to another community.

So, you say, you would like to experience that feeling for the first time or once again, maybe. It only comes from your efforts; no magic, no wishful

thinking, just you setting your mind to make it happen.

Think about it, want to do it? Give me a call, let's talk about it. Ed Smith, 812-267-8315.

No commitment, no promises, just reasonable talk about the possibilities and potential. We will keep it between us until you are ready to say, I DID IT! I have given others the opportunity I was given to be an OPTIMIST!

Ed Smith
Club Building Chair

Make your plans now to 'celebrate 100'

Have You Made Plans for Louisville?

Just in case you are not aware, Optimist International will celebrate its 100th anniversary in Louisville June 30-July 3, 2019, at the annual Optimist Convention. Actually, the first event is the Centennial Walk on Saturday, June 29, and we want to invite you to attend as Optimists from all over the world walk a short 4 blocks to the site of a historical marker that commemorates the first Optimist Convention in Louisville

in 1919. That's right! Optimist International was founded in Louisville, KY, in 1919 at the former Tyler Hotel. The hotel no longer exists. It has been replaced by the Louisville International Convention Center, where the historical marker, purchased by past presidents of Optimist International, will be located.

Watch for your winter edition of the Optimist Magazine. It contains information about registration and hotel accommodations. Even if you can only come for one or two days, you will be a part of this historical event. Our district, along with the Indiana South District, will be hosting the convention. Special thanks to those who have volunteered to assist in this effort. It's not too late to volunteer! Here is a list of committees and their chairs:

Members grow in Optimism through PGI Program

The Personal Growth and Involvement Program, designed to offer Optimist Club Members the opportunity to grow personally and learn more about Optimism, is a simple way to ensure that all members are recognized for their accomplishments and club involvement. Once you get started with the program, you'll be amazed how quickly you can progress through the levels! If you attended the last District Meeting, you learned about the steps necessary to complete Level 1-Bronze. It was so easy, several people in attendance got their Level 1 certification right then! At the upcoming District Convention, we will be discussing Levels 2 and 3, which are almost as simple! For example, take a look at Level 2- Green, and see how easy it can be!

- **ATTENDANCE:** Attend three additional Club meetings and/or activi-

ties, for a cumulative total of 9.

- **ACTIVITY:** Be involved in Organizing a Club Activity

(We can handle this one at the convention, when you can help us get ready for the upcoming international convention!)

- **GROWTH:** Sponsor a new member.

- **KNOWLEDGE OF ORGANIZATION:** Know Optimist International, District, Zone and Club structures.

- **SELF DEVELOPMENT:** Make a short presentation at a Club meeting about why a prospective member should join your Optimist Club

- **COMMUNICATION:** Promote Club meeting attendance for a period of at least one month.

Just complete these six steps and have them signed off on your PGI Passport by your club President, Secretary, or PGI Representative. If you

would like a copy of the PGI passport, please email me at mlevine@cabbagepatch.org and I will send one ASAP. I will be in attendance at the District Convention in May and would be happy to talk to you about how to continue to grow within the PGI program! Promise yourself to look deeper into the PGI Program and grow in your Optimism. You'll be glad you did!

Mayghin Levine
PGI Chair
